

The formal TQA cover page (one for each student is provided with the folders in Term 3) should be placed on the front of the folio. (see sample for Part A provided on page 2).

PLEASE NOTE: Three Copies of the work MUST be contained within each folio folder (per student) at the time of submission.

PART A

Two extended choreographic reflections (one for a student's solo piece and one for the group piece) for external assessment – a process based discussion.

During the process of choreographing your externally assessed group and solo pieces this year, you made decisions about:

- stimulus
- movement vocabulary
- production tools
- structural devices
- form

Question to be addressed in the response:

How did your reflections and choices during the process shape, inform and communicate the choreographic intent of each piece?

Word limit: 750-1000 words for each piece.

PART B

*Critical appraisal (in essay form) of **three** live or recorded discrete, professional dance works seen this year.*

Question to be addressed in the response:

With reference to **three** dance performances you have seen this year, critically analyse the works in relation to choreographic intent. Which of the performances do you believe was the most successful, and why? (Please refer to the course supplement).

Word limit: 1000-1200

Both Parts A and B should be placed in the folders provided by the TQA and should be forwarded to the TQA by the dates specified (Note: Three copies MUST be supplied). *It should be noted that Part A will have an earlier submission date than Part B.*
