Assessment tasks will usually be sourced from another Australian assessment agency and will be administered according to specifications from that agency.

Candidates are advised to ensure they choose their suite of courses so that they do not require an SA award in one of the above qualifications in order to be eligible for the calculation of an ATAR.

Candidates are to refer to the following TASC webpage for more information: www.tasc.tas.gov.au/9786

Applicant's Declaration:

The 'assessment only' arrangements do not include any collection and validation of teacher assessments of course work. Candidates who are not present for any part of the assessment will NOT receive an award above a Preliminary Achievement (PA).
